

Parts Department Grand Opening- Reserve Your Spot Today!

Parts Update No. 20-0908

New York Bus Sales is happy to announce the unveiling of our new and improved Parts Department!

At our Headquarters in Chittenango, we have been working hard over the past few months to renovate and add on to our primary facility, so that we may spread our wings and become an All Makes & All Models Bus Parts Distributor!

We were able to grow the parts room in Chittenango from a 2,000 square foot space into a 7,000 square foot parts warehouse. This extra room has allowed us to increase our inventory 4x over; all with the goal of having more of the parts and supplies you need, right on our shelf.

Not only do we have our expanded facility in Chittenango to serve you better, we still have our locations and staff in Rochester and Albany to ensure you get the parts you need, when you need them!

Along with the physical growth in the parts department, we are also adding new staff! Among these additions are Dave Reichel, our new Director of Parts; Dave has replaced Jim Hogan who retired in June. We are also adding a brand-new position, Outside Parts Sales, and have hired Frank Ruggiero, Steve Quintal and Ryan Murphy to fill these roles.

We would love for you to see the changes we have made, and to meet the team; so, we are having a Grand Opening on September 17th! There are two ways for you to attend: in person from 10am – 2pm in Chittenango or by attending one of our virtual Zoom sessions at 10:30 and 2:30. To reserve your spot, please register online at <http://www.newyorkbussales.com/grand-opening> or call/email Brittany at 315-687-3969 x243/ bacre@newyorkbussales.com.
