

WARRANTY UPDATE

#19-0725 – Warranty Info for Headlights

Headlight Information Requirement for Warranty Reimbursement

Previously to receive credit for any defects found in a headlight assembly, Blue Bird required the Serial Number from the hood. That is no longer required, but we will need a photo of the headlight showing the issue AND a photo of the tag on the headlight assembly showing the “part number” and the “lot number” (Figure #1)

Figure #1

PLEASE NOTE:

This ONLY applies to headlights, the Hood Serial Number is still required for ALL other hood related issues.
