

## 2019 Green Grand Prix- Watkins Glen International Speedway Friday April 5<sup>th</sup>, 2019

**Come Join Us And See All Types Of Alternative Fueled Vehicles On Display and On The Track**

Green Grand Prix is an educational and competitive event in Watkins Glen, NY including the only Official SCCA road rally that promotes entry of all road- legal vehicle types and fuels in North America. The Road Rally is sponsored by THE DORIS BOVEE MEMORIAL FOUNDATION. Doris Bovee was an environmental enthusiast and our road rally is a tribute to her.

## 2019 Toyota Green Grand Prix

Green Grand Prix Corporation's mission is to increase awareness of energy efficient, environmentally friendly vehicles. It's goal is to work towards making the Northeast a center for advanced vehicle technologies.

The Toyota Green Grand Prix partners with Watkins Glen International Speedway and the Sports Car Club of America, hosting an annual event for the past 14 years. Our primary sponsors are Upstate NY Toyota Dealers Association and the Doris Bovee Memorial Foundation. The focus is on auto-tech students, innovators, and general public, drawing participation from high schools, colleges, and individuals from N.Y. and several surrounding states. This year's event will be held Friday, April 5.

The annual Toyota Green Grand Prix features a challenging fuel economy contest run at 45mph on the hilly WGI NASCAR short track as well as an autocross for EVs, plug-ins, and hybrids.

Also included are tours of the track in alternate fuel buses, demonstrations, and educational talks in the WGI Media Center. All our events are free and open to the public.

We expect 150+ High school and University technology students from approximately nine high schools and colleges. The public is encouraged to come and enjoy the events at no charge.

### Possible Demonstrations at the 2019 Toyota Green Grand Prix

1. Toyota or Subaru collision avoidance systems
  - 2 . Electric go karts, E-motorcycles, E-Bikes
  4. Antique Auto Association possible historic alternate-fuel car
  7. Tours of the track in BAE hybrid bus, Veg-power school bus conversion, Bluebird electric and/ or propane school bus
  8. Electric drag racer
- C. Displays in WGI Media Center Lobby
- D. Related educational talks in WGI Media Center
