

THIRD ANNUAL "TEAM BLUE BIRD" SUMMER TRAINING

In Conjunction with the 29th Annual School Bus Head Mechanics Association

COMPANY UPDATE #18-02

BLUE BIRD[®]

Tuesday July 24, 2018 at the "ONCENTER" in Syracuse, NY

In a continuing effort, "Team Blue Bird", Bird Bus Sales and New York Bus Sales are providing training directly from Blue Bird again this year! We also are including other featured classes from what New York school bus technicians have asked for! On the next page are the offerings, please check those you wish to attend.

ALL of our Service Updates can be found on the [New York Bus Sales website](#)
Or at the [New York Head Mechanic website](#)

Blue Bird – **Now with Chris Cox**

- Multiplex
- Body Control Module

Bendix – Martin Pytlak & Joe Doyle

- Air Disc Brakes

The Internet and Blue Bird Bus Maintenance – John Johnston

- Blue Bird Vantage gives Technicians the “ADVANTAGE”
- Other websites that can assist in maintaining your school bus, and not only a Blue Bird

Please Choose from the following

_____ Cummins: Jack Szalka & Bob Reith

- How to find connectors as well as wiring diagrams.
- How to perform some of the testing provided by Insite.
- How to access and turn on exhaust stabilization.
- Check for ECM updates and open campaigns and how they effect and possibly correct engine lights.
- How to track the expiration and updates for Insite.
- How a new customer can acquire the different levels of Insite and if they will need a full version of QuickServe.

_____ Roush: Jared Otto

- Learn about propane properties and shop safety
- Learn propane fuel system components
- Learn how to use service information and diagnostic equipment to diagnose the fuel system
- **There will also be an update on the GASOLINE engine**

We realize this is a long day, but hope you can see the value in taking the time to NETWORK and LEARN!
