

I am pleased to announce that Mike Rubino is our new Outside Salesperson for G-Tech Parts in our Central NY territory. Mike comes to us from Pep Boys with over 4 years of territory sales experience. Previously, he was with Reliable Tire for over 5 years. In both roles, Mike successfully managed many accounts over a large geographic territory. Mike's approach is proactive, and he enjoys having a strong working relationship with his customers. We are all confident that Mike will take on his new responsibilities with the same enthusiasm and professionalism.

Outside of work, Mike enjoys going to the gym and mountain biking, however his true love is riding one of his many motorcycles either on the street or kicking up dirt motocross style!

Feel free to reach out to Mike via email, [mrubino@newyorkbussales.com](mailto:mrubino@newyorkbussales.com) or call his cell 315-560-8141 and he will be happy to answer any questions you might have.
