

Cummins Diagnostic Information

Tech Tip #17-0329

INFORMATION AT YOUR FINGERTIPS

Cummins offers a very nice “Diagnostic” sheet for their 6.7L engines that are model specific.

These are large laminated sheets which on one side has the schematics for wiring and on the other side lists “ALL” the engine codes. The sheets are a very useful tool in the repair of units with check engine lights and electrical issues.

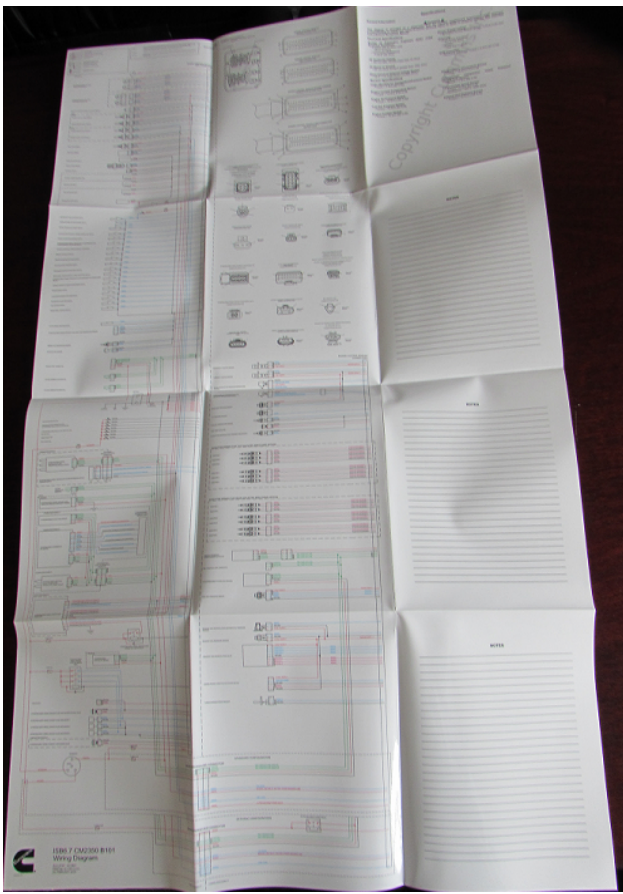

As with ALL our tools and diagnostics, New York Bus Sales offers these at our cost!

CM2250 – Part #4022230 \$21.39

CM2350 – Part #4310801 \$22.09
