

I am pleased to announce that Paula Dobozi is our new Outside Salesperson for G-Tech Bus Parts in our Western NY territory. Paula is a Buffalo, New York native, a great fit to service the demands of the western territory. Paula comes to us from Zep Inc with over 20 years of territory sales experience. Previously, she was with Ameripride Services for over 4 years. In both roles, Paula successfully managed many accounts over a large geographic territory. Paula's approach is proactive, and she enjoys having a strong working relationship with her customers. We are all confident that Paula will take on her new responsibilities with the same enthusiasm and professionalism.

Outside of work, Paula enjoys going to the gym and yoga. Paula loves to be with her puppy Teddy as well as friends and family.

Feel free to reach out to Paula via email @ pdobozin@newyorkbussales.com or call her cell, 716-799-7383 and she will be happy to answer any questions you might have.
