

Thermo King A/C Install Inspection

Service Update #21-0702

Air Conditioning Inspection

- **New York Bus Sales as an option offers several air conditioning systems as options through new bus sales.**
- **One option is Thermo King. While working with them we have put in place an inspection program for those customers who choose Thermo King as their A/C option.**
- **Starting with units received this year, once you receive your unit, you can contact the local Thermo King dealer and they will send out a technician to perform an inspection of the system to ensure it is operating properly and as designed.**
- **This service is offered at no charge through Thermo King. To locate a dealer near you, use the link below:**
