“VISION” Hood Repair

Complaint – The hood is cracking

PLEASE NOTE – This is not a common occurrence but does happen with the crossover mirrors hanging off the front and it is summer time in New York which means “Road Construction” and that can help take its toll.

One issue you will see discussed in the attached documents is the “BELL MOUNT” for crossover mirrors. New York Bus Sales in an effort to help eliminate some issues with how our “standard” bus is spec’d made the change to include the “BELL MOUNT” as standard.

Cause – Various issues which MAY cause cracks at various spots-

Correction – Please find attached various hood repair procedures from the manufacturer!
