

Tech Tip

FROM YOUR FRIENDS AT
NEW YORK BUS SALES!

Cummins QuickServe App for Your Smartphone

Cummins has a new App out.....It's QuickServe for your Smartphone! You can get it at the App Store!

Once down loaded the App will appear as it does in Figure #1, once opened it will ask for your engine serial number (Figure #2). Once your engine serial number is inserted (Figure #3) the system confirms that the serial number has been read (Figure #4).

Using the navigation buttons on the bottom of the screen you can view information from the dataplate of your engine, search for information on a fault code or look up parts for your engine.....Download it today and try it! There is NO CHARGE!!!
