Parts Update #20-0401

DISINFECTANT WIPES IN STOCK!

Last week we sent a Service Update #20-0326 from Blue Bird on the proper disinfecting of school buses. With the ever-growing need for cleaners and the fact that there were calls on where the proper products could be obtained, Blue Bird reached out to EMS who manufactures “Bird Bath” bus soap and found that they have a product which meets the requirements described in the Service Update and they were able to secure the product called “PURGO”.

Wipes were purchased and they come in a container of 40 wipes. New York Bus Sales has purchased and has available for shipment....Call and order yours today!
